Centralized Database

H2 TAG:

Quickly manage and access business entities and compliance data in real-time. Remove manual processes and reduce risk with one single point of truth.

H3 TAG:

Organizational Tools

Easily create and visualize ownership data, valuations, and relationships between entities. Create custom cap tables to effortlessly manage owners, numbers of shares, current equity value, and more.

Tracking & Notifications

Track compliance due dates and receive alerts via automated email notifications so you can avoid late fees and other penalties.

Corporate Services

Our customers see an average 30-40% reduction in costs when they file with EntityKeeper.

TESTIMONIAL FOR
CLIENTS IN WHITE

PICTURE OF CLIENT

5 STAR ADDED

“

"Before going with EntityKeeper, all entity information was kept in an Excel spreadsheet and shared via Dropbox. Now our process is a lot simpler when it comes to storing and referring back to documents after they have been filed."

STEPHANIE TORRES
OPERATIONS MANAGER, STONE GROUP
